Mrs R O'Neill
Pennaeth / Headteacher

29th November 2019

Dear Parents and Carers,

As I am sure you are aware, the Welsh Government are introducing a new curriculum for all Primary and Secondary pupils. This reform is to modernise and improve the Welsh education system so that it is suitable for the modern world. This new curriculum will ensure all pupils gain the skills necessary to be successful now and in the future. We hope this new curriculum will allow Wales to become a leading country for education.

After an extended period of consultation and preparation, we are now ready to begin planning this exciting new curriculum. To ensure that all schools have time to plan for the new curriculum, the Welsh Government have given all schools one additional INSET day each year for the next 3 years. These INSET days will be for planning the new curriculum so that all schools are ready to begin delivering in 2022.

The first additional INSET day will be on 26th June 2020. This INSET day and any future additional days will be taken in the summer term.

Each year we will give advanced notice of these additional INSET days, so that you as parents and carers can plan accordingly.

If you have any questions, please contact the school for further information.

Yours sincerely,

Rhona O'Neill
