17th March 2020

Dear Parents,

With regard to the ever-changing situation regarding Covid-19 (Coronavirus) please note the following precautionary measures we are implementing in case of a school closure or the requirement to self-isolate your child due to Covid-19

At this stage, the government have **not** informed us that they are intending to close schools, however, this is an ever-changing situation which is very new to everybody and as a result, we are putting the following plans into place

Where appropriate we are sending physical packs of work home with pupils today which they can work on should there be a school closure. Also, please note the following resources which are available online that can be accessed at home. Grange Road pupils will also have access to **SeeSaw Student** where class teachers are able to upload work, tasks and resources. You will find links to resources on our website (www.ysgoltirmorfa.co.uk) under the 'Pupils' tab.

Where applicable pupils will have login details for programmes that they normally access in school. If your child cannot remember their login please contact the school in the first instance. However in the event of a school closure please contact your child's class teacher through **SeeSaw** or email the school on post@ysgoltirmorfa.co.uk who will be able to help.

For students in Post-16 Aled group Mr Matthews will email work for them to complete using the contact email addresses we have.

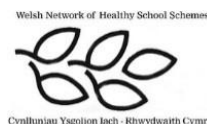

Thank you for your support and understanding in these challenging times.

Sincerely
