Mrs R O'Neill
Pennaeth / Headteacher

Dear Parent/Guardian,

As you will be aware the spread of coronavirus (COVID-19) continues to be a cause of concern. We take the health and safety of our pupils and staff very seriously.

In the eventuality that an adult or child comes into direct contact on the school site with an individual reporting such symptoms, the school will be taking the following steps:

- The school will contact those individuals and advise them to self-isolate if displaying symptoms.
- Unless you are contacted there is no need to self-isolate
- The school will not be closing without direct advice from Public Health Wales
- Parents worried about any underlying medical issues that already affect their families should make their own decisions about sending their children to school.

Finally a plea for support for many of us. This is an entirely new situation we are dealing with we are doing our best to make the right decisions for the whole of our school community taking advice from Welsh Government, Public Health Wales.
