Dear Parent / Guardian

## **HEAD LICE INFORMATION**

Head lice is a common community problem. Infection with head lice continues to occur from time to time in schools. School Nurses are aware that although this is not a serious health problem, parents and teachers become very concerned when children are infected.

Please check your child's hair regularly, if live lice are seen please treat immediately.

If you require further help and advice, please contact the school nurses office 01745 854546.

Many thanks for your continued support

Mrs Rhona O'Neill

Head Teacher
