Mrs R O'Neill
Pennaeth / Headteacher

22nd January 2021

Dear Parent / Carers,

RE: Free School Meals

Denbighshire is continuing its approach of direct payments for parents of pupils entitled to Free School Meals who are receiving remote learning. This approach is taken in favour of vouchers or food parcels being directly provided.

Due to the uncertainty of schools reopening prior to the start of the 18th January, a direct payment for all eligible pupils was made in early January for the first two weeks.

Following this, future payments will be made in arrears. This decision has been taken to ensure accuracy of the payments with only those correctly eligible for payment receive such payments.

This means that payment for the week ending 22nd January will be made on the 1st February.

This pattern will continue pending confirmation by the Welsh Government of the full return to schools for pupils.

The Welsh Government will continue to make payments during school holiday periods. The payment for the February half term will be made on the 15th February.

Sincerely

Rhona O'Neill
Headteacher
