Mrs R O'Neill
Pennaeth / Headteacher

3rd July 2020

Dear parents and families,

For the last two years our school community has been raising funds towards a hydrotherapy pool of our own. The community has supported our fundraising efforts and contributed towards this worthy cause.

Initial feasibility studies suggested that building the pool with funds raised was a distinct possibility. However, further comprehensive plans have seen likely costs more than double to over £1million putting the project out of reach.

Developing provision for our pupils is of paramount importance so I would like to purchase additional hydrotherapy slots in both Flintshire and other areas. In order to increase our hydrotherapy provision, I am proposing that we utilise the funds we have raised to purchase another minibus to be used for hydrotherapy.

Many generous people have donated towards our pool and although we can't have our own pool we can extend provision so that our pupils have more access to this vital therapy.

If anyone has any objection to us using the funds you have so generously raised in this way please let me know as soon as possible.

Yours sincerely

Rhona O'Neill
Headteacher
