Dear Parent/Guardian

RE: School Closure

I am sure you will have seen the announcement from Welsh Government today that schools in Wales will remain closed to all but looked after children and children of key workers until the February half-term break. Class teachers will continue to provide pupils with home learning best suited to their needs. Please contact school if you have any concerns.

The Welsh Government have indicated they will work with schools and education partners on a phased and flexible return to school after 22 February, if the public health situation continues to improve. As soon as we have further detail on these plans we will let you know.

In the meantime, please stay safe at home.

Sincerely

Rhona O'Neill
Head Teacher
