

National Training Development Programme.

North Wales LD Football Training Camps

Dear Head Teacher

As part of the National programme North Wales continues its training programme on Sunday 25th November 1-3pm at St Christopher's School Wrexham LL13 7BW

These camps are for Boys and Girls aged 11-18 with an additional learning need. Many Children currently play mainstream football but may still qualify for this as well. Boys who are aged 15-18 and are considered good enough will then be invited to attend training camps, after Christmas, a provisional date is 13th January, times and venue are still to be confirmed by the FAW Trust. From these camps players selected will be invited to attend a number of additional training sessions at Dragon Park, Newport and WIS in Cardiff. Players who are then deemed good enough will have the opportunity to represent Wales at the LD Home Internationals next Easter. The standard at Wales level is high and many of the players play mainstream football and some have played at Academy level for Cardiff and Newport County.

Please offer/mention this opportunity to any players in your School and invite them to our session on the 25th. Further details from me at school or my mobile 07966451877. Last season 6 boys from my school played for Wales and all regularly play mainstream at weekends.

Please complete the attached form to confirm attendance.

Yours sincerely

Glyn Jones
Assistant Head Teacher
St Christopher's School.
