Dear Parent/Guardian,

Re: YTM Sixth

I am pleased to attach a brochure detailing a new development here at our Grange Road site; YTM Sixth. This is an alternative route for pupils from year 12 onwards which we feel enhances the options available to our pupils. We hope to be able to offer this course from September 2019.

The course offered is full-time (five days a week) and aims to further develop pupils' abilities in the Essential Skills of Communication, Application of Number and Employability. There will be opportunities for Work Experience and the development of Independent Living Skills as well as opportunities to further develop their skills with Digital Media and Hospitality.

The course is flexible in that learners can stay for one, two or three years. Please do not hesitate to contact me should you require further information.

Yours sincerely

P. Thomas
Assistant Headteacher
